

## Lots of Yachts Itinerary: Amalfi Coast

Sail to the Amalfi Coast and see one of Italy's greatest treasures. The Amalfi Coast boasts a classic Mediterranean landscape with a sensual blend of both natural and cultural wonders. The amazing terrain includes dramatic cliffs that meet the sea and is scattered with terraced vineyards, orchards, and pastures. The beautiful cities are like any other and have been declared by UNESCO as a "World Heritage Site".

**DAY 1** – Enjoy a morning breakfast on board your yacht in Capri, taking in the views of the Faraglioni rock formations. After, embark on a tender ride to snorkel the caves of Blue Grotto. After which you'll head ashore for lunch under the lemon trees at Da Paolino restaurant. Then take the funicular to the top of the island and browse the high-end boutiques and observe the beautiful sites. Finish off the day with a stop at La Piazzetta for a cocktail, before enjoying dinner back on your yacht. Lastly you can go ashore to dance the night away in any of the popular clubs.

**DAY 2** – In the morning you'll be anchored off the coast of Positano, where you can enjoy the views of the town's soaring cliffs. After heading ashore, you'll take the cliff elevator to the Il San Pietro di Positano hotel for a great lunch. Here you can explore the town's streets and piazzas which feature beautiful artisanal shops. If you're up for it, you can also hike the Path of the Gods trail. At sunset you can sip cocktails at one of the many beach bars of Spiaggia Grande, then enjoy dinner aboard your yacht with Positano making a perfect romantic background.
