

LOTS OF YACHTS YACHTING ITINERARY

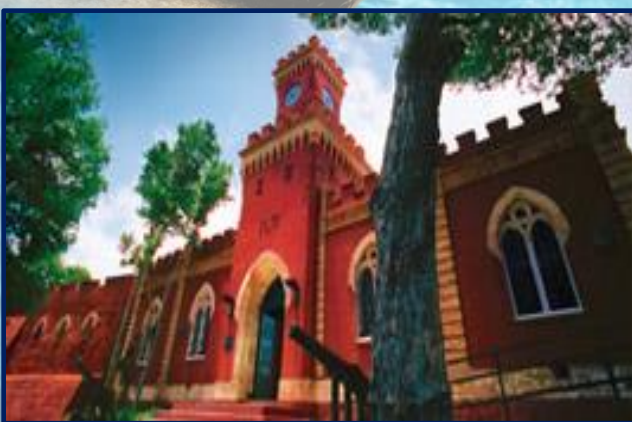

ST. THOMAS / ST. JOHNS

Experience the laid-back lifestyle of yachting by chartering your own private yacht. While you're onboard cruise the Caribbean and travel to the US Virgin Islands. These islands are only a short distance away from South Florida and are home to beautiful beaches, crystal-clear waters, and a rich Caribbean culture.

Experience this tropical paradise first hand by traveling to island of St. Thomas. St. Thomas is popular tourist attraction because of its unique island lifestyle and is the most populated island in the US Virgin Islands. While the island is only 32-square miles it is packed with great opportunities for everyone. We encourage you to stay onboard the yacht and take advantage of the tropical waters for sailing, snorkeling, and diving. Also available are waverunner, paddle boards, and kayaks. While your onboard enjoy amazing meals prepared by your private chef from ingredients grown and caught locally. After soaking up the Caribbean sun take a stroll through the beautiful city which is full of local shops and restaurants. A popular attraction on the island is Charlotte Amalie, the tallest mountain on the island at 700 ft. which provides immaculate views of the Caribbean. If you're interested in the historic culture of the island stop by the oldest synagogue in the Western Hemisphere, the 1680-built Fort Christian or the childhood home of Camille Pissarro, one of the best-known French Impressionists. St. Thomas is a perfect destination for those looking to get away.

Just a few miles from St. Thomas lies the island of St. Johns. While St. Johns is the smallest of the US Virgin Islands it is considered as the most pristine. Almost 60% of the island is a national park making it one of the best places in the world for yachting. St. John is as far away as you can get from civilization, but still be just a short distance from upscale jewelry stores and boutiques. There are plenty of attractions here on land and sea for everyone. Enjoy an amazing day snorkeling then indulge in a picnic on the beach or your private yacht. Another option is to explore the island and take in the historical sites or have some fun at the local breweries. Finish off your day by heading back to the yacht for an amazing seafood meal, caught locally and cooked onboard just for you.

Charter a yacht for an unforgettable week with family and friends as you explore these two amazing islands. Whether you are just looking for a short getaway or a one-of-a-kind vacation, there is no better option than St. Thomas and St. Johns.
